# Candidate for Deputy Head Girl

By Chanel 10M

My name is Chanel and I am running for year 11 Deputy Head Girl. I believe I would be the best candidate for this role because I am able to connect with people from different backgrounds due to my kind, thoughtful and emphatic nature.

Furthermore, I have experience from working with peers from my church community to set up and organise a talent show called "Youth Explosion" which enables the youth in the community to showcase their array's, of talents.

In addition, due to my learning needs I am able to understand my strengths and weaknesses therefore in this deputy head role I will be confident when helping my fellow peers.

I speak Korean and I am currently in the process of taking my exam. My hope is to re-build better communications between our sister school, in Jeju Island, South Korea. In the hope that we can do more student exchange between our school's. This will also enable a more diverse language culture in our school.

Please vote Chanel for Deputy Head Girl!
