

**Welcome to CSG  
Library.  
Do come in!**

**I am Ms Green, the Librarian. Please take a good look around.**

First impressions  
from the balcony

The library is a lot bigger than it initially looks. We have separate zones for books, studying and “chilling out” with a book.

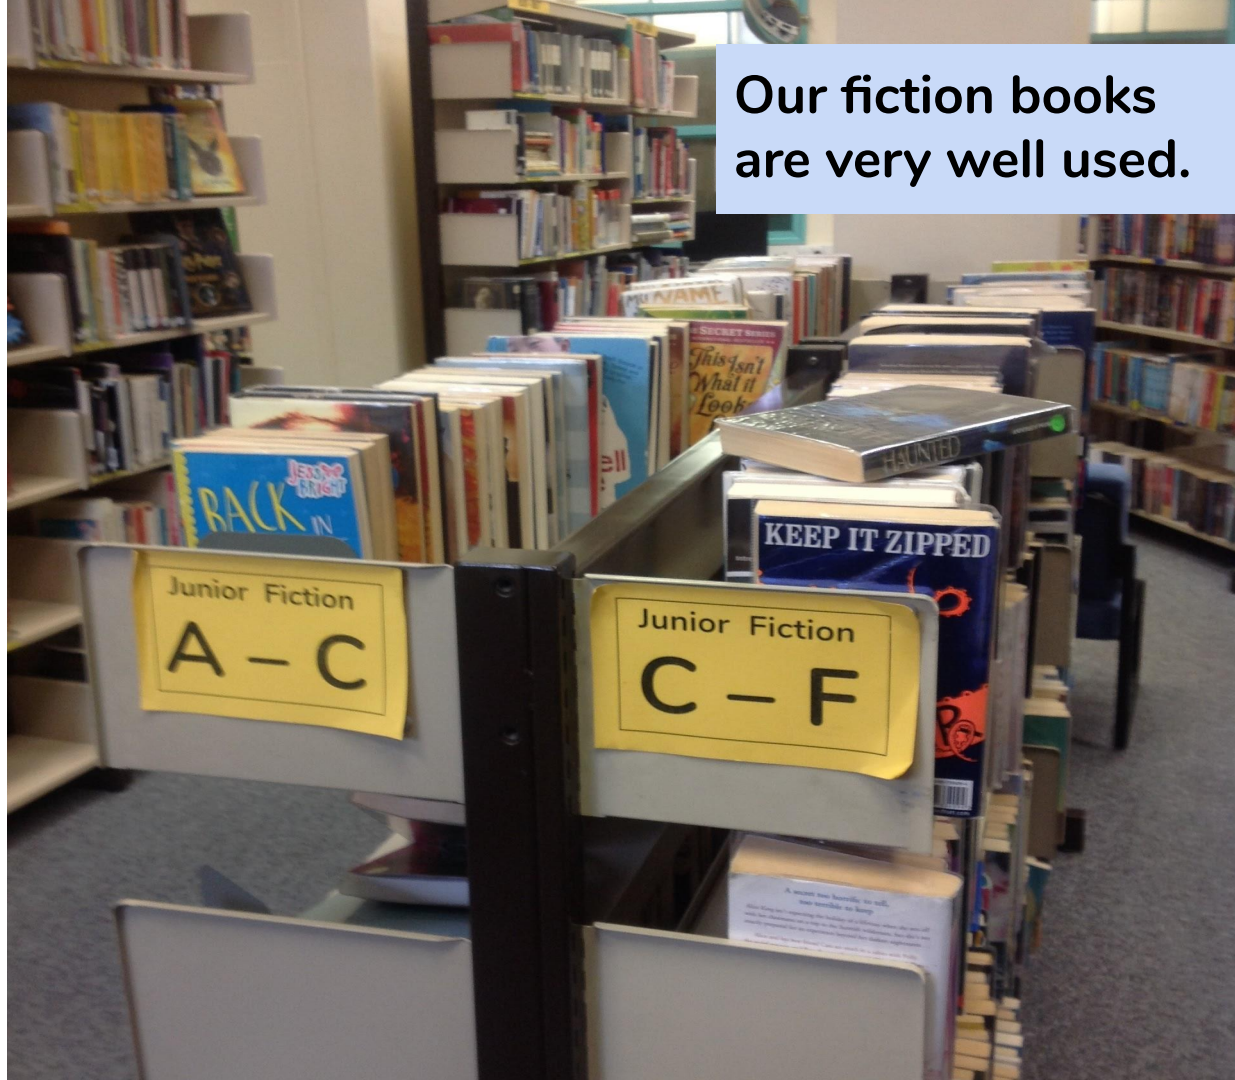

All students are free to use the library before school, at break, at lunchtime and after school

**The library contains over 8000 books.  
Each book has been carefully selected to  
meet the needs of CSG students.**

Our fiction books  
are very well used.

The librarian is always present in the library. She gives individual guidance on books to read.

**What shall I read next?**
